Arbor Day Celebration March 19, 2007

Many Woodlands Edge residents participated in the planting of this sycamore tree grown from its parent tree who's seed went to the moon!

Kids, young and old, were there to help out with the digging and planting! It looks like some were even interested in learning a little something more about Arbor Day.

WOODLANDS EDGE FEATURE FAMILIES

Meet the Hudson Family of Mossy Creek Drive—Mark, Shelia, and their three cats (Gigi, Charleston, and Buster). Mark is originally from Helena, Arkansas. He attended the University of Arkansas at Little Rock receiving a BA in Political Science and Business and a Masters in Public Administration. Mark now works as a legislative analyst for the Bureau of Legislative Research (Arkansas General Assembly). Shelia is from Marianna. She attended the University of Central Arkansas. She has a BS in Mathematics and Computer Science and a Masters in Science in Education with an emphasis in Mathematics. She now works in classrooms packed with teenagers as a mathematics teacher at Hall High. It's a good thing they get to take a break and spend some time up on the mountain at Petit Jean. Their most memorable vacations take place in Edisto Island, South Carolina. On a night out together here in town, Mark and Shelia enjoy eating at Carino's.

Gigi, Charleston and Buster

Shelia is very involved in the Woodlands Edge Neighborhood as a member of the Community Upkeep & Conservation Committee and the Pool Committee. Not only does she help keep our neighborhood beautiful; she also helps keep us all safe at the pool!

Interesting story: When they were new to the neighborhood, Mark and Shelia ventured off on a late leisurely walk around 9:00pm. At around 9:30pm they realized they had locked themselves out of their house! They ended up visiting one door after another hoping to find one of their new neighbors home and awake to let them borrow a phone. Of course, when keys and cell phones would have been most useful on this little journey, Mark and Shelia were without!

Meet the Clow Family of Woodsgate Drive—Reggie, Teresa, and Nelson. The furry extension of their family includes Drake (a 5-year-old Chesapeake Bay retriever) and Jack (an 11-year-old Mancoon cat). Reggie and Teresa are both originally from Little Rock. Reggie attended the University of Arkansas and received a BS in Accounting with a minor in Computer Science. Reggie is currently a builder who has built some beautiful homes in Woodlands Edge. Teresa works as an account executive at KTHV. The Clow's know how to mix in a little fun time. They enjoy golfing, motorcycle riding, hunting, gardening, camping, and going to the lake. If vacationing in-state, the Clows enjoy going to Lake Quachita, Hot Springs, and Eureka Springs. Their most memorable vacations took place in Cancun, Mexico the summer of 1998 and New York City in the fall of 2000. On a night out as a family you may find them eating at the Buffalo Grill. Reggie and Teresa also enjoy dinner at "Cheers" in the Heights on date night.

As the chair of the Community Upkeep and Conservation Committee, Reggie is kept very busy making sure our neighborhood is well kept and stays beautiful. He does an outstanding job of keeping his committee active in our community. He works hard to make sure that neighborhood regulations are enforced. Reggie is also the chair of the Neighborhood Watch Committee and helps out with the Pool Committee whenever he is needed. We greatly appreciate his efforts for our community.
